THE LIVING TOPIARY

The show

Representing the marriage of Nature in a Human form, the Living Topiary is a spectacular 9 feet tall atmosphere act. This interactive entertainment will make an impact on your guests. Its graceful posing will make of your Living Topiary a spectacular focal point at your event.

Description of the act

The Living Topiary show is an interactive atmosphere act, available in 2 possible formats:

- As a Living Statue
- Choreographed with music

The Living Topiary show is a stationary act on pedestal.

Scheduling the show

Scheduling the show at your event is easy. Each presentation, also called a set, has a 30 minute format.

- Booking a single performer allows for one 30 minute show per hour for up to 4 hours, with 30 minute breaks between sets. Maximum number of sets: 4.

- Booking two performers or more, gives two options:

Option 1: Making a statement by having all your Living Topiaries perform at the same time. They will break at the same time also.

Option 2: Offering a continuous exposure of the show for up to 4 hours, by having your performers rotate on set; when one performs, the other breaks.

Please contact us to work out a set schedule for your event.

The costume

The Living Topiary costume is made of 3 parts:

- The dress, with 5 colors options: white, green, gold, silver, or red
- The base, covered with thousands of rose petals of matching color with the dress.
- The floral décor on the headpiece and forearms. Your options are:
 - Roses: White, red, pink, gold, silver, orange, green, purple or fuchsia
 - Boxwood greenery
 - Sunflowers

We also create new flower themes on demand.

THE LIVING STATUES

The show

The Living Statue show is a 5-star specialty act, perfectly tailored for theme events. Our vast collection let you choose a Living Statue that will entertain your guests and enhance your décor to become a spectacular focal point .

Description of the act

The Living Statue show is an interactive atmosphere act. The show is usually stationary on pedestal. Some Living Statue models allow for the character to stroll among the audience if necessary.

The costume

A Living Statue costume creates the illusion of a stone or metal statue character. A professional Living Statue has a smooth on-color rendering which cannot be achieved by spray painting, It is a precise tailoring skill that integrates all parts of the statue: costume, pedestal and accessories.

Scheduling the show

Scheduling the show at your event is easy. Each presentation, also called a set, has a 30 minute format.

- Booking a single performer allows for one 30 minute show per hour for up to 4 hours, with 30 minute breaks between sets. Maximum number of sets: 4.

- Booking two performers or more, gives two options:

Option 1: Making a statement by having all your Living Statues perform at the same time. They will break at the same time also.

Option 2: Offering a continuous exposure of the show for up to 4 hours, by having your performers rotate on set; when one performs, the other breaks.

THE LIVING WALL

Description of the shows

The Living Wall is an interactive atmosphere act combining branding solutions with a spectacular entertainment. It offers a creative alternative to the famous red carpet “Stop and Repeat”, with a live 3-dimensional effect.

The Living Wall creates the spectacular illusion of a live character coming out of the background wall. Standing as a Living Statue, the performer interacts with the audience for a great photo opportunity.

The costumes

Booking 4 weeks minimum prior to the event to allow for production.

The logo to be used for the printed fabric is to be provided by the client upon booking.

The Living Wall is made of 2 parts:

- A 10'x10' “stop and repeat” backdrop.
- A performer's costume made of the same fabric.

Scheduling the show

Scheduling the show at your event is easy. Each presentation, also called a set, has a 30 minute format.

- Booking a single performer allows for one 30 minute show per hour for up to 4 hours, with 30 minute breaks between sets. Maximum number of sets: 4.

- Booking two performers or more, gives two options:

Option 1: Making a statement by having all your Living Statues perform at the same time. They will break at the same time also.

Option 2: Offering a continuous exposure of the show for up to 4 hours, by having your performers rotate on set; when one performs, the other breaks.

THE LIVING MARIONETTE

Music & Dance Show

The shows

The Marionette is an upbeat dance and musical show, offering a travel to a beautiful world of happy feelings and connection.

The show is built on a theme, with music, dance and costumes to illustrate this travel through imagination. The Marionette show is composed of 3 performers, two Marionette dancers and one Stilt Walker, who dance and interact to tell a story of happiness.

Scheduling the show

The duration of the show is 15 minutes, usually followed by a 5 minutes photo opportunity among the audience.

Description of the act

The Marionette show presents the unique advantage of being adaptable to any particular theme event.

We currently offer 3 possible versions of the show:

1st version: **Mexican Marionettes** (like Cinco de Mayo) on Mexican music.

2nd version: **Matador Marionettes** on Spanish music.

3rd version: **Gangster Marionettes** and policeman on a music reminding of Chicago in the 1920s.

4th version: **Russian Marionettes** (Kusacks) on Russian music

5th version: **Dutch Doll Marionettes** on German Music.

Other versions are in preparation. We can create an interesting version on any theme you would like to develop for your event, by simply adapting costumes and music.

Please let us know of your project. Thank you
